

MiTech Partners and ADS Security. A perfect business solution.

BURGLARY DETECTION

Guard against theft and invasion by having our licensed and trained technicians install a state-of-the-art alarm system to keep you protected.

WIRELESS MONITORING

In the event that your phone line goes down, or you decide to cancel your landline phone service, you can rely on ADS Wireless Monitoring to keep you protected.

FIRE PROTECTION

Each year, fire kills more Americans than all natural disasters combined. Let ADS install smoke and heat detectors in your home or business today.

REMOTE SERVICES

Access your security or video surveillance systems remotely, get real time alerts and view video clips of your home or business from any web-enabled device with ADS Aniware®.

VIDEO SURVEILLANCE

ADS has a full range of video surveillance products from nanny cams to complete home or business surveillance systems.

AUTOMATION

Save time, money, and energy by controlling your lights, thermostats, door locks, and small appliances instantly from your phone, or set them on an automated schedule of your choice.

CARBON MONOXIDE

Known as the "silent killer", carbon monoxide is an odorless gas that kills within minutes. ADS carbon monoxide detectors notify you if carbon monoxide is present.

ACCESS CONTROL

ADS provides complete managed access services ranging from single to multi-door access points, that can be customized to meet your unique business needs.

WATER LEVEL DETECTION

ADS water level detection is great for homes, businesses and vacation or rental properties. Avoid costly flood insurance claims — don't delay.

TEMPERATURE DETECTION

Have the peace of mind in knowing that ADS can detect extreme temperature fluctuations at your vacation home, business or storage facility.

OPENING/CLOSING SUPERVISION

Want to know who entered your business and when? Or, when your system is armed and disarmed? Call ADS to find out more.

SERVICE AGREEMENTS

No need to worry about costly service repairs. Our service plans cover normal repair costs for a low monthly fee.

IDENTITY PROTECTION

Identity theft can damage your credit for months or years before detection occurs. Sign-up for the nation's largest fraud and transaction network.
