

How to Enroll a Security Customer

1. Fill out or tell customer to fill out Security Form at www.mitechsecurity.com
 - a. **If the customer is filling it out, make sure they put your name as the referring partner**
2. Customer will automatically get a call from ADS Security to set an appointment and pricing.
3. If Customer needs immediate information, direct them to call (they should call this number after filling out the form at www.mitechsecurity.com anyway):

Need an appointment/pricing ASAP?

For Business call: 888-228-0249

***For best offers use code: R158161**

For Residential call: 800-699-9238

***For best offers use code: A158050**

***These Mitech codes enable customer to receive best pricing and personal attention from security providers.**

4. Customer must use the offer codes for you to get paid!
5. Check with your customer and follow up to see when the appointment has been set or if they are moving forward.

****Don't know how to submit an order? Check out the how to forms here:**
